THE ACCREDITATION DOES NOT SERVE AS AN ENDORSEMENT OF THE SOUNDNESS OF THE ABOVE LISTED FINANCIAL INSTITUTIONS. The accreditation cannot be used for any purpose other than for implementing the provisions of the Agri-Agra Reform Credit Act of 2009 and its related rules and regulations.

Under existing rules and regulations, the lending and/or investing bank is required to disclose in its Agri-Agra Report submitted to the BSP its exposure to the accredited RFI along with the corresponding ARN of said RFI, should such lending and/or investing bank intend to utilize its exposure for agri-agra compliance. Such exposure to the accredited RFI shall be eligible for determining compliance with the agri-agra requirement for as long as the said RFI remains accredited. Such

accreditation is valid until sooner revoked for non-renewal or non-compliance with the qualification requirements prescribed under existing rules and regulations. In the event of disaccreditation, the lending/investing bank will be allowed to use its exposure to a disaccredited RFI for compliance with the agri-agra requirement only up to the next reporting quarter following the disaccreditation as a grace period. The Agri-Agra Report of the lending/investing bank shall be deemed defective if a disaccredited RFI is declared and used for compliance with the agri-agra requirement beyond the said grace period. Hence, the above list of accredited RFIs and their corresponding ARNs are being issued for reference and guidance of lending/investing banks.

The above updated list of RFIs accredited by the BSP and ACPC supersedes those listed under Circular Letter No. CL-2017-074 dated 20 December 2017.
